Letter No.1630 F., dated 13-11-42 from the Executive Engineer, Bellary Division to the Superintending Engineer, Bezwada Circle.

Ref:- Your No.1485 B., dated 30-10-42.

The dates up to which sanction for retention of the Famine establishment has been applied for were fixed on the basis that four of the six camps would be closed on 20-10-42 and the other two on 31-10-42. But actually two camps Kambaladinne and Nandavaram were closed on 26-10-42 and two others Thimmapuram and Chilakaladona on 31-10-42. The remaining two have not been closed and have been ordered to be continued until good rains fall. The overseers attached to Kambaladinne and Nandavaram camps were relieved before 10-11-42 and the supervisors and peons on 11-11-42 afternoon. The Overseers and supervisors and peons attached to the Thimmapuram and Chilakaladona camps will be relieved on 16-11-42 afternoon at the latest. I therefore request you to obtain orders of Government sanctioning the retention of

2 supervisors with peons upto 11-11-42
2 supervisors with peons and 2 overseers upto 16-11-42 and
2 supervisors with peons and 2 overseers of the camps still open up to 31-1-43.

I have addressed the Collector of Bellary to inform me whether the Sub Division Office is to continue beyond 30-11-42 and on hearing from him I shall apply for retention of the staff of that Office if necessary.

There is no object in closing the Sub Division if new

p.t.o.

camps are to be opened shortly. Additional sub division and a new Famine division may be required if the total number of camps is likel to exceed 8.

Endorsement: No.738 CG dated 20th November 1942. not rec'd

Copy submitted to the Chief Engineer, P.W.D. General with reference to Endorsement No.7454-Ad/41-37 dated 28-10-42. Sanction t the continuance of the establishment as shown below is required:- not rec'd

Two Overseers	till 10-11-42
Two Supervisors with peon	till 11-11-42 afternoon
Two supervisors with peons Two Overseers.	till 16-11-42 afternoon.
Two Supervisors with peons Two Overseers.	till 31-1-1943 afternoon.

There is the likelihood of opening fresh camps in Bellary and Siriguppa taluks, in which case it may be necessary to continue the Su Division for a further period beyond 30-11-42. Proposals for continu ance of the Sub Division will, if necessary, be submitted in due course. As stated by the Executive Engineer, it may be necessary to form a separate Division with additional Sub Division if the number of camps including those to be opened exceeds eight.
